

Greater Greenville Master Garden 2019 Symposium ARTWORK SUBMISSION INFORMATION

Every year a work of art is selected to represent the theme for the Greater Greenville Master Gardener Symposium. The title of next year's symposium is "A Passion For Plants".

We are inviting members of the Greater Greenville art community to submit an original piece based on "*A Passion for Plants*".

- The work should be an original interpretation by the artist featuring a subject relevant to the overall theme.
- The art and artist will be featured in 1500 symposium brochures and multiple posters advertising the event. Contact, which includes the art and credits the artist, will be made with verified local organizations that broadcast local events using social media and traditional media.
- A short biography and contact information will be included in the symposium's welcome packet handed out to the 500+ attendees from the Greenville area and to many out of state visitors.
- The winning artist will receive a commission of \$400 for their work.
- Free vendor space will be available at the symposium for the artist to sell additional pieces of their work.

Please note the following details about submissions:

- ✓ All 2-dimensional mediums are eligible (excluding computer generated works).
- ✓ Artists may submit up to 3 pieces.
- ✓ The finished work should be formatted to 11" x 15" so that it can be reduced or enlarged proportionally to fit on our brochure. The finished piece can be larger than this, as long as formatting size is proportional.
- ✓ Work may be either horizontal or vertical.
- ✓ No frame or mat is required.

Entries must be submitted with a 4" x 6" color photograph of the artwork. Please label the photo with the title of the work, size, medium, name, phone number and email address for contact.

Once semi-finalists have been selected, a request will be made to see the original artwork. Entries will be judged no later than September 15, 2018. A five-member selection committee will choose a finalist. The winning piece will be displayed and raffled at the 2019 symposium held on February 9th.

DEADLINE FOR ALL SUBMISSIONS TO BE RECEIVED IS AUGUST 31, 2018

**Send entries to:
GGMG, Sandra Babbitt
107 Dreamland Way
Greenville, SC 29609**
